Appendix 2

Welcome to the Subject Experience Survey

Please respond to the following questions about this subject. Your answers and comments are an important part of the process of learning, and contribute to improving subject quality.

The first part of the SES uses ten standard questions to measure effective learning, and to compare subjects across all courses. Additional questions may be asked by your subject co-ordinator. We welcome your comments.

If you have questions or comments about this survey, click [here] to send a message to the survey administrator.
