UNESCO Observatory

Torchbearers for Tomorrow

Poster Competition

The UNESCO Observatory Poster Competition is open to all young people.
Would you like to represent your school or association by producing a poster with a strong and excellent message addressing important global issues ?
This competition aims to raise awareness and make an impact on young people world-wide.

Prize

Selected posters will be exhibited at the University of Melbourne in 2008 and winners will receive a UNESCO Observatory Award and Certificate of Excellence.
Winners and selected work will be placed on the UNESCO website to be viewed worldwide.
The winning schools will receive a UNESCO Observatory plaque.
